Recent Developments

Reverse Stock Split

On February 15, 2023, the Company held a special meeting of stockholders (the “Special Meeting”).

At the Special Meeting, the stockholders approved a proposal to amend the Company’s certificate of incorporation to effect a reverse split of the Company’s outstanding shares of common stock, par value \$0.0001 at a specific ratio within a range of one-for five (1-for-5) to a maximum of one-for-fifty (1-for-50) to be determined by the Company’s board of directors in its sole discretion.

Following the Special Meeting, the board of directors approved a one-for-twelve (1-for-12) reverse split of the Company’s issued and outstanding shares of common stock (the “Reverse Stock Split”). On February 21, 2023, the Company filed with the Secretary of State of the State of Delaware a certificate of amendment to its certificate of incorporation (the “Certificate of Amendment”) to effect the Reverse Stock Split. The Reverse Stock Split became effective as of 4:01 p.m. Eastern Time on February 21, 2023, and the Company’s common stock is expected to begin trading on a split-adjusted basis when the Nasdaq Stock Market opens on February 22, 2023.

When the Reverse Stock Split became effective, every twelve (12) shares of the Company’s issued and outstanding common stock were automatically combined, converted and changed into one (1) share the Company’s common stock, without any change in the number of authorized shares or the par value per share. In addition, a proportionate adjustment was made to the per share exercise price and the number of shares issuable upon the exercise of all outstanding stock options, restricted stock units and warrants to purchase shares of common stock and the number of shares reserved for issuance pursuant to the company’s equity incentive compensation plans. Any

fraction of a share of common stock that would be created as a result of the Reverse Stock Split was rounded up to the next whole share.

All share and per share information in this prospectus (other than the historical financial statements incorporated by reference herein) has been adjusted to reflect the reverse stock split.

Implication of Being an Emerging Growth Company

We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, as amended (the “JOBS Act”). We will remain an emerging growth company until the earlier of (1) the last day of the fiscal year following the fifth anniversary of the completion of our initial public offering, (2) the last day of the fiscal year in which we have total annual gross revenues of at least \$1.07 billion, (3) the date on which we are deemed to be a “large accelerated filer” as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which would occur if the market value of our common stock held by non-affiliates exceeded \$700.0 million as of the last business day of our most recently completed second fiscal quarter or (4) the date on which we have issued more than \$1.0 billion in non-convertible debt securities during the prior three-year period. An emerging growth company may take advantage of specified reduced reporting requirements and is relieved of certain other significant requirements that are otherwise generally applicable to public companies. As an emerging growth company,

- we may reduce our executive compensation disclosure;
- we may present only two years of audited financial statements, plus unaudited condensed financial statements for any interim period, and related Management’s Discussion and Analysis of Financial Condition and Results of Operations in this Prospectus;
- we may avail ourselves of the exemption from the requirement to obtain an attestation and report from our auditors on the assessment of our internal control over financial reporting pursuant to the Sarbanes-Oxley Act of 2002; and
- we may not require stockholder non-binding advisory votes on executive compensation or golden parachute arrangements.

We have availed ourselves in this Prospectus of the reduced reporting requirements described above with respect to compensation disclosure requirements and selected financial data. As a result, the information that we provide stockholders may be less comprehensive than what you might receive from other public companies. When we are no longer deemed to be an emerging growth company, we will not be entitled to the exemptions provided in the JOBS Act discussed above. We have not elected to avail ourselves of the exemption that allows emerging growth companies to extend the transition period for complying with new or revised financial accounting standards. This election is irrevocable.

-3-

As a company with less than \$1.0 billion in revenue during our last fiscal year, we qualify as an “emerging growth company.”

Smaller Reporting Company

We are also currently a “smaller reporting company,” meaning that we are not an investment company, an asset-backed issuer, or a majority-owned subsidiary of a parent company that is not a smaller reporting company, and have a public float of less than \$250 million or annual revenues of less than \$100 million during the most recently completed fiscal year. In the event that we are still considered a “smaller reporting company,” at such time as we cease being an “emerging growth company,” the disclosure we will be required to provide in our SEC filings will increase, but will still be less than it would be if we were not considered either an “emerging growth company” or a “smaller reporting company.” Specifically, similar to “emerging growth companies,” “smaller reporting companies” are able to provide simplified executive compensation disclosures in their filings; are exempt from the provisions of Section 404(b) of the Sarbanes-Oxley Act requiring that independent registered public accounting firms provide an attestation report on the effectiveness of internal control over financial reporting; and have certain other decreased disclosure obligations in their SEC filings, including, among other things, only being required to provide two years of audited financial statements in annual reports. Decreased disclosures in our SEC filings due to our status as an “emerging growth company” or “smaller reporting company” may make it harder for investors to analyze our results of operations and financial prospects.

Risks Associated with Our Business

Our business and our ability to implement our business strategy are subject to numerous risks, as more fully described in the section entitled “Risk Factors” in this prospectus and in our Annual Report on Form 10-K for the fiscal year ended June 30, 2022, incorporated herein by reference. You should read these risks before you invest in our securities. We may be unable, for many reasons, including those that are beyond our control, to implement our business strategy.

The Company’s activities are subject to significant risks and uncertainties. The Company’s operations are in one segment.

On September 18, 2020, we consummated a reorganizational merger (the “Reorganization”), pursuant to an Agreement and Plan of Merger (the “Merger Agreement”), dated July 14, 2020, whereby Amesite Inc. The directors and officers of Amesite Parent became our directors and officers.

Additionally, each option or warrant to acquire shares of Amesite Parent outstanding immediately before the Effective Date was converted into and became an equivalent option to acquire shares of our common stock, upon the same terms and conditions.

THE PRIVATE PLACEMENT

On August 30, 2022 (the "Effective Date"), we entered into a Securities Purchase Agreement (the "Purchase Agreement") with certain investors (the "Investors") for the purpose of raising approximately \$2.3 million in gross proceeds for the Company (the "Offering"). Pursuant to the terms of the Purchase Agreement, we agreed to sell, in a registered direct offering, an aggregate of 348,485 shares (the "Shares") of our common stock, par value \$0.0001 per share (the "Common Stock"), and in a concurrent private placement, warrants to purchase an aggregate of 348,485 shares (the "Warrant Shares") of Common Stock (the "Warrants" and together with the Shares and the Warrant Shares, the "Securities"), for a combined purchase price per Share and Warrant of \$6.60 (the "Purchase Price"). The Warrants will be exercisable commencing six months after the date of their issuance, have an exercise price of \$9.84 per share and will expire five and one-half years from the date of issuance.

Laidlaw & Company (UK) Ltd. acted as the exclusive placement agent (the "Placement Agent") for the Company, on a "reasonable best efforts" basis, in connection with the Offering. Pursuant to that certain Placement Agency Agreement, dated as of August 30, 2022, by and between us and the Placement Agent (the "Placement Agency Agreement"), the Placement Agent will be entitled to a cash fee equal to 8.0% of the gross proceeds from the placement of the total amount of Securities sold by the Placement Agent and a cash management fee equal to 1% of the gross proceeds from the placement of the total amount of Securities sold in the Offering. In addition, the Placement Agent will be issued a warrant (the "Placement Agent Warrant") to purchase up to 17,425 shares (the "Placement Agent Warrant Shares") of Common Stock, substantially the same form as the Warrants, at an exercise price of \$12.30 per share (125% of the Purchase Price).

The net proceeds to us from the registered direct offering and concurrent private placement, after deducting the Placement Agent's fees and expenses but before paying the Company's estimated offering expenses, and excluding the proceeds, if any, from the exercise of the Warrants and the Placement Agent Warrant, are expected to be approximately \$2 million. The Company intends to use the net proceeds from the Offering for working capital and for other general corporate purposes.

Pursuant to the terms of the Purchase Agreement and subject to certain exceptions as set forth in the Purchase Agreement, from the Effective Date until the 75th day after the Effective Date, we, may not, without the prior written consent of the Placement Agent and Investors which purchased at least 67.0% in interest of the Shares offered in the Offering, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of capital stock or any Common Stock Equivalents (as defined in the Purchase Agreement); (ii) except

in limited circumstances, file or cause to be filed any registration statement with the Securities and Exchange Commission relating to the offering of any shares of capital stock of the Company or any securities convertible into or exercisable or exchangeable for shares of capital stock of the Company, (iii) complete any offering of debt securities, other than entering into a line of credit with a traditional bank or (iv) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of capital stock of the Company or any of its subsidiaries, whether any such transaction described in clause (i), (ii), (iii) or (iv) above is to be settled by delivery of shares of capital stock or such other securities, in cash or otherwise.

In connection with the Purchase Agreement and Placement Agency Agreement, our directors, officers, entered into lock-up agreements for a 90-day period (the “Lock-Up Agreements”).

The Shares (but not the Warrants or the Warrant Shares) were offered and sold by us pursuant to effective registration statements on Form S-3 (File Nos. 333-260666), as well as a prospectus supplement in connection the Offering filed with the SEC.

The foregoing description of the material terms of the Purchase Agreement, the Warrant, the Placement Agent Warrant, the Placement Agency Agreement and the Lock-Up Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of Purchase Agreement, form of Warrant, form of Placement Agent Warrant, form of Placement Agency Agreement and form of Lock-Up Agreement, copies of which are filed as Exhibits 10.1, 4.1, 4.2, 10.2 and 10.3, respectively, to the Current Report on Form 8-K dated September 1, 2022, and are incorporated herein by reference.

This prospectus and the documents incorporated by reference in this prospectus contain “forward-looking statements,” which include information relating to future events, future financial performance, financial projections, strategies, expectations, competitive environment and regulation. SELLING STOCKHOLDERS

The common stock being offered by the selling stockholders are those issuable to the selling stockholders upon exercise of the warrants. For additional information regarding the issuance of the warrants, see “The Private Placement” above. We are registering the shares of common stock in order to permit the selling stockholders to offer the shares for resale from time to time. Except as described below, to our knowledge, none of the selling stockholders has been an officer or director of ours or of our affiliates within the past three years or has any material relationship with us or our affiliates within the past three years. Our knowledge is based on information provided by the selling stockholders in connection with the filing of this prospectus.

The table below lists the selling stockholders and other information regarding the beneficial ownership of the shares of common stock by each of the selling stockholders. The second column lists the number of shares of common stock beneficially owned by each selling stockholder, based on its ownership of the shares of common stock, options to purchase common stock, and warrants, as of May 5, 2023, assuming exercise of the warrants held by the selling stockholders on that date, without regard to any limitations on exercises. The third column lists the maximum number of shares of common stock that may be sold or otherwise disposed of by the selling stockholders pursuant to the registration statement of which this prospectus forms a part. The selling stockholders may sell or otherwise dispose of some, all or none of their shares. Pursuant to Rules 13d-3 and 13d-5 of the Exchange Act, beneficial ownership includes any shares of our common stock as to which a stockholders has sole or shared voting power or investment power, and also any shares of our common stock which the stockholder has the right to acquire within 60 days of May 5, 2023. The percentage of beneficial ownership for the selling stockholders is based on 2,533,359 shares of our common stock outstanding as of May 5, 2023 and the number of shares of our common stock issuable upon exercise or conversion of convertible securities that are currently exercisable or convertible or are exercisable or convertible within 60 days of May 5, 2023 beneficially owned by the applicable selling stockholder. The fourth column assumes the sale of all of the shares of common stock offered by the selling stockholders pursuant to this prospectus.

Under the terms of the warrants, a selling stockholder may not exercise the warrants to the extent such exercise would cause such selling stockholder, together with its affiliates and attribution parties, to beneficially own a number of shares of common stock which would exceed 4.99% (or for certain holders, 9.99%) of our then outstanding common stock following such exercise, excluding for purposes of such determination shares of common stock issuable upon exercise of the warrants which have not been exercised. The number of shares in the second column does not reflect this limitation. The selling stockholders may sell all, some or none of their shares in this offering. See “Plan of Distribution.”

Information about the selling stockholders may change over time. Any changed information will be set forth in an amendment to the registration statement or supplement to this prospectus, to the extent required by law. Unless otherwise noted below, the address of each selling stockholder listed on the table is c/o Amesite Inc., 607 Shelby Street, Suite 700 PMB 214, Detroit, MI 48226.

(2) Assumes that (i) all of the shares of common stock to be registered by the registration statement of which this prospectus is a part are sold in this offering and (ii) the selling stockholders do not acquire additional shares of our common stock after the date of this prospectus and prior to completion of this offering. The percentage of beneficial ownership after the offering is based on 2,900,024 shares of common stock, consisting of (a) 2,533,359 shares of our common stock outstanding on May 5, 2023, and (b) the 366,665 shares of our common stock underlying the warrants offered under this prospectus. The number of shares listed do not take into account any limitations on exercise of the warrants.

(3) Consists of 17,425 shares of common stock issuable upon exercise of placement agent warrants.

(4) The selling stockholder is a broker-dealer and has represented to us that it acquired the securities in the ordinary course of business and that, at the time of such acquisition, it did not have any arrangements or understandings, directly or indirectly, with any person to distribute the securities.

PLAN OF DISTRIBUTION

Each selling stockholder of the securities and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their securities covered hereby on The Nasdaq Capital Market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. A selling stockholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- in transactions through broker-dealers that agree with the selling stockholders to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The selling stockholders may also sell securities under Rule 144 or any other exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2121; and in the case of a principal transaction a markup or markdown in compliance with FINRA Rule 2121.

-14-

In connection with the sale of the securities or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The selling stockholders may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each selling stockholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

The Company is required to pay certain fees and expenses incurred by the Company incident to the registration of the securities. The Company has agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

We agreed to use commercially reasonable efforts to keep this registration statement effective at all times until the selling stockholders no longer own any Warrants or shares of Common Stock issuable upon the exercise of the Warrants.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the Common Stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the Common Stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

The securities to be registered on this registration statement on Form S-1 include up to an aggregate amount of 366,665 shares of common stock, consisting of (i) up to 349,240 shares of our common stock issuable upon exercise of the warrants acquired by certain of the selling stockholders under the Purchase Agreements, and (ii) up to 17,425 shares of our common stock issuable upon exercise of placement agent warrants acquired by certain of the selling stockholders under the Placement Agent Agreement.

General

The following is a summary of material characteristics of our capital stock as set forth in our certificate of incorporation and bylaws, and certain provisions of Delaware law. The following description does not purport to be complete and is subject to and qualified in its entirety by, and should be read in conjunction with, our certificate of incorporation and bylaws, each of which are filed as exhibits to this Registration Statement and are incorporated herein by reference. The summaries and descriptions below do not purport to be complete statements of the Delaware General Corporation Law (“DGCL”).

The Company is authorized to issue 105,000,000 shares of capital stock, par value \$0.0001 per share, of which 100,000,000 are shares of common stock and 5,000,000 are shares of “blank check” preferred stock.

As of the date of this prospectus, there were 2,533,359 shares of our common stock issued and outstanding and no shares of preferred stock issued and outstanding.

Common Stock

Voting

The holders of our common stock are entitled to one vote for each share held on all matters to be voted on by the Company’s stockholders. There shall be no cumulative voting.

Dividends

The holders of shares of our common stock are entitled to dividends when and as declared by the Board from funds legally available therefor if, as and when determined by the Board of Directors of the Company in their sole discretion, subject to provisions of law, and any provision of the Company’s Certificate of Incorporation, as amended from time to time. There are no preemptive, conversion or redemption privileges, nor sinking fund provisions with respect to the common stock.

Liquidation

In the event of any voluntary or involuntary liquidation, dissolution or winding up of our affairs, the holders of our common stock will be entitled to share ratably in the net assets legally available for distribution to stockholders after the payment of or provision for all of our debts and other liabilities.

-16-

Fully Paid and Non-assessable

All outstanding shares of common stock are duly authorized, validly issued, fully paid and non-assessable.

Preferred Stock

We are authorized to issue up to 5,000,000 shares of preferred stock. This preferred stock may be issued in one or more series, the terms of which may be determined at the time of issuance by our board of directors without further action by stockholders. The terms of any series of preferred stock may include voting rights (including the right to vote as a series on particular matters), preferences as to dividend, liquidation, conversion and redemption rights and sinking fund provisions. No preferred stock is currently outstanding. The issuance of any preferred stock could materially adversely affect the rights of the holders of our common stock, and therefore, reduce the value of our common stock and the Notes. In particular, specific rights granted to future holders of preferred stock could be used to restrict our ability to merge with, or sell our assets to, a third party and thereby preserve control by the present management.

Series A Preferred Stock

On January 23, 2023, we filed a Certificate of Designation of the Series A Preferred Stock (the “Certificate of Designation”) with the Secretary of State of the State of Delaware to create a new class of Series A Preferred Stock, par value \$0.0001 per share. The Certificate of Designation designates 100,000 shares of authorized preferred stock as Series A Preferred Stock. The Series A Preferred Stock are not entitled to receive dividends or any other distributions. The Series A Preferred Stock are entitled to one thousand votes per share and shall vote together with the issued and outstanding shares of our common stock as a single class exclusively with respect to the Reverse Stock Split (as defined in the Certificate of Designation). The Series A Preferred Stock have no rights as to any distribution or assets of the Company upon a liquidation, bankruptcy, reorganization, merger, acquisition, sale, dissolution or winding up of the Company. The outstanding shares of Series A Preferred Stock shall be redeemed in whole, but not in part for an aggregate price of \$1,000 (i) if such redemption is ordered by our board of directors, in its sole discretion, or (ii) automatically and effective immediately after the effectiveness of the Reverse Stock Split.

Exclusive Forum

Our Certificate of Incorporation provides that unless the Company consents in writing to the selection of an alternative forum, the State of Delaware is the sole and exclusive forum for: (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company’s stockholders, (iii) any action asserting a claim against the Company, its directors, officers or employees arising pursuant to any provision of the DGCL or our Certificate of Incorporation or the Bylaws, or (iv) any action asserting a claim against the Company, its directors, officers, employees or agents governed by the internal affairs doctrine, except for, as to each of (i) through (iv) above, any claim as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, or for which the Court of Chancery does not have subject matter jurisdiction.

Additionally, our Certificate of Incorporation provide that unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America will be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation are deemed to have notice of and consented to this provision. The Supreme Court of Delaware has held that this type of exclusive federal forum provision is enforceable. There may be uncertainty, however, as to whether courts of other jurisdictions would enforce such a provision, if applicable.

Transfer Agent

The transfer agent and registrar for our common stock is Continental Stock Transfer & Trust Company.

Changes in Authorized Number

The Board of Directors is expressly authorized to increase or decrease the number of shares of any series subsequent to the issuance of shares of that series, but not below the number of shares of such series then outstanding. The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of the stock of the Company entitled to vote thereon, without a separate vote of

the holders of the Preferred Stock, or of any series thereof, unless a vote of any such holders is required pursuant to the terms of any Certificate of Designation filed with respect to any series of Preferred Stock.

Delaware Anti-Takeover Statute

We may become subject to Section 203 of the Delaware General Corporation Law, which prohibits persons deemed to be “interested stockholders” from engaging in a “business combination” with a publicly held Delaware corporation for three years following the date these persons become interested stockholders unless the business combination is, or the transaction in which the person became an interested stockholder was, approved in a prescribed manner or another prescribed exception applies. Generally, an “interested stockholder” is a person who, together with affiliates and associates, owns, or within three years prior to the determination of interested stockholder status did own, 15% or more of a corporation’s voting stock. Generally, a “business combination” includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. The existence of this provision may have an anti-takeover effect with respect to transactions not approved in advance by the Board of Directors. A Delaware corporation may “opt out” of these provisions with an express provision in its original certificate of incorporation or an express provision in its certificate of incorporation or bylaws resulting from a stockholders’ amendment approved by at least a majority of the outstanding voting shares. We have not opted out of these provisions. As a result, mergers or other takeover or change in control attempts of us may be discouraged or prevented.

The Bylaws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of our stockholders, including proposed nominations of persons for election to our board of directors. At an annual meeting, stockholders may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of our board of directors. Stockholders may also consider a proposal or nomination by a person who was a stockholder at the time of giving notice and at the time of the meeting, who is entitled to vote at the meeting and who has complied with the notice requirements of the Bylaws in all respects. The Bylaws do not give our board of directors the power to approve or disapprove stockholder nominations of candidates or proposals regarding other business to be conducted at a special or annual meeting of our stockholders. However, the Bylaws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed. These provisions may also discourage or deter a potential acquirer from conducting a solicitation of proxies to elect the acquirer’s own slate of directors or otherwise attempting to obtain control of our company.

The Bylaws provide that a special meeting of our stockholders may be called only by our Secretary at the direction of the Board or by resolution adopted by a majority of our board of directors. Because our stockholders do not have the right to call a special meeting, a stockholder could not force stockholder consideration of a proposal over the opposition of our board of directors by calling a special meeting of stockholders prior to such time as a majority of our board of directors or the Secretary believe the matter should be considered or until the next annual meeting *provided* that the requestor met the notice requirements. The restriction on the ability of stockholders to call a special meeting means that a proposal to replace our board of directors also could be delayed until the next annual meeting.

-18-

Limitations on Liability and Indemnification of Officers and Directors

We intend to enter into separate indemnification agreements with each of our directors and executive officers. Each indemnification agreement will provide, among other things, for indemnification to the fullest extent permitted by law and our Certificate of Incorporation and Bylaws against any and all expenses, judgments, fines, penalties and amounts paid in settlement of any claim. The indemnification agreements will provide for the advancement or payment of all expenses to the indemnitee and for the reimbursement to us if it is found that such indemnitee is not entitled to such indemnification under applicable law and our Certificate of Incorporation and Bylaws.

We maintain a general liability insurance policy that covers certain liabilities of directors and officers of our corporation arising out of claims based on acts or omissions in their capacities as directors or officers.

Section 203 of the Delaware General Corporation Law

We may become subject to Section 203 of the Delaware General Corporation Law, which prohibits persons deemed to be “interested stockholders” from engaging in a “business combination” with a publicly held Delaware corporation for three years following the date these persons become interested stockholders unless the business combination is, or the transaction in which the person became an interested stockholder was, approved in a prescribed manner or another prescribed exception applies.
